

CTE Certification Program

Pathway Information

Join us for a newly redesigned experience to complete your CTE certification courses! In this immersive and supportive cohort model, collaboration is key and success is shared.

What can you expect?

- All class sessions are delivered via Zoom
- Sessions are held every other week on a consistent night from 4:00-6:00 PM
- Class sessions begin the week of July 29, 2024 and end the week of July 29, 2025
- Most courses have applied hours in your work setting that count toward your credit hours
- Register now for all of the courses you need, regardless of which semester they are in.
- All charges will be invoiced to schools or individuals 3-4 weeks after the start of the course(s).

How to register
