

BUSINESS MANAGEMENT

TRANSFER OPTION

The Business Management program provides a sound foundation of principles designed to prepare students for the business world.

emcc.edu/business

The **Business Management** program provides a strong foundation for students entering the workforce or planning to transfer to a four-year institution.

- Graduates are qualified for entry-level management employment in banking, retailing, Federal and State government, sales, insurance, and marketing.
- EMCC has transfer agreements with many schools in Maine that make it easy for you to start your degree with us, and make a smooth transition into a four year institution. By doing this, students save thousands of dollars and still finish with a bachelor's degree at their desired four year college or university. (Husson, UMaine, St. Joseph's, and UMFK)

EMCC students enjoy small class sizes, supportive faculty, transferable courses and leadership/engagement opportunities all for under \$4,000/year.

(Most programs, based on 30 credit hours, in-state rate of \$96 per credit hour)

We have TWO residence halls on campus!

Kineo Hall houses students in “blocks” (two double-occupancy rooms with four people of the same gender) or triple-occupancy rooms. Each is individually climate controlled and shares a common bathroom, with double sinks, a shower and a toilet stall.

Acadia Hall houses students in corridor-style double or triple occupancy rooms.

A meal plan is mandatory for anyone living in residential housing on campus.

Studies show that students who live on campus not only tend to have higher GPA's, but they are also more likely to complete their education and get more out of their college experience.

Visit www.emcc.edu/housing to learn more.
Apply early, space is limited!

Still in high school? Concurrent enrollment agreements with many high schools and technical education centers are available. Information can be found online at:
