

DIGITAL GRAPHIC DESIGN

The Digital Graphic Design program provides students with technical proficiency, business skills, and production processes related to the graphic design field.

www.emcc.edu/graphicdesign

Digital Graphic Design professionals arrange imagery and type using the elements and principles of art and design to visually communicate an idea.

- Students entering the job market can be hired as graphic designers/artists, photographers, videographers, print media designers, illustrators, and web designers.
- Students will use state of the art technologies and software and study type, design principles, page layout, image editing, photography, and web design. Graduates of the DGD program can work in marketing and advertising, signage, publicity, photography, videography, and web design.

EMCC students enjoy small class sizes, supportive faculty, transferable courses and leadership/engagement opportunities all for under \$4,000/year.

(Most programs, based on 30 credit hours, in-state rate of \$96 per credit hour)

▶ **TOTAL AAS DEGREE CREDITS** 61-62

**Denotes courses required to complete the Certificate in Digital Graphic Design.
Total credits: 30

Students opting to take the certificate program will be **required** to complete the credits listed under the First Semester and the Second Semester.

We have TWO residence halls on campus!

Kineo Hall houses students in “blocks” (two double-occupancy rooms with four people of the same gender) or triple-occupancy rooms. Each is individually climate controlled and shares a common bathroom, with double sinks, a shower and a toilet stall.

Acadia Hall houses students in corridor-style double or triple occupancy rooms.

A meal plan is mandatory for anyone living in residential housing on campus.

Studies show that students who live on campus not only tend to have higher GPA's, but they are also more likely to complete their education and get more out of their college experience.

Visit www.emcc.edu/housing to learn more.
Apply early, space is limited!

Still in high school? Concurrent enrollment agreements with many high schools and technical education centers are available. Information can be found online at:

www.emcc.edu/academics/programs/early-college

Did you graduate from high school in 2022, 2023, or 2024 or will be graduating in 2025?

Then you may qualify for the Maine Free College Scholarship at EMCC!

Did you know EMCC has its own foundation?

Each year, our Foundation gives out over \$100,000 in scholarships to EMCC students. Visit emcc.edu/foundation to learn more and apply.
